This is a decision on the petition filed on December 24, 2009, which is being treated as a petition under 37 CFR 1.705(d), requesting that the patent term adjustment indicated on the above-identified patent be corrected to indicate that the term of the above-identified patent is extended or adjusted by six hundred thirty-seven (637) days.

The petition to correct the patent term adjustment indicated on the above-identified patent to indicate that the term of the above-identified patent is extended or adjusted by six hundred thirty-seven (637) days is **GRANTED to the extent indicated herein**.

A review of the record reveals that the Office errantly neglected to assess a reduction of 6 days in accordance with 37 CFR 1.704(c)(10) in connection with the Information Disclosure Statement ("IDS"), filed May 14, 2009. The reduction commenced May 14, 2009, the date that IDS was filed, and ended May 19, 2009, the mailing date of the Office action in response to the IDS was mailed, and is six days (not five days).

The Office will *sua sponte* issue a certificate of correction. Pursuant to 37 CFR 1.322, the Office will not issue a certificate of correction without first providing assignee or patentee an opportunity to be heard. Accordingly, patentees are given **one (1) month or thirty (30) days**, whichever is longer, from the mail date of this decision to respond. No extensions of time will be granted under § 1.136.

The Office acknowledges submission of the \$200.00 fee set forth in 37 CFR 1.18(e). No additional fees are required.

The address given on the petition differs from the address of record. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

The application file is being forwarded to the Certificates of Correction Branch for issuance of a certificate of correction in order to rectify this error. The Office will issue a certificate of correction indicating that the term of the above-identified patent is extended or adjusted by **SIX HUNDRED THIRTY-SIX (636) DAYS**.

Telephone inquiries specific to this matter should be directed to the undersigned at (571) 272-3232.
